DO MORE WITH PATIENT PORTAL

Interested in learning more? Use the "Help Desk" in the top toolbar for a comprehensive guide to working with Patient Portal, or, look under the Resources tab for answers to your Frequently Asked Questions. Within Resources, view "Useful links" for direct links to the <U.S. National Library of Medicine>, <National Comprehensive Cancer Network Guidelines for Patients>, and <American College of Surgeons Commission on Cancer, Cancer Center Accreditation standards>. And finally, you can also download, print and complete forms such as <Release of Healthcare Info>, <Registration>, and <Emergency Contact and Current Medication Information>.

YOUR PRIVACY IS IMPORTANT TO US

We take great care to ensure that your health information is safe and private, and encourage you to keep your Patient Portal username and password safe. Patient Portal is fully compliant with federal and state law related to the privacy of health care information. For more details on information security, please contact <xxxxxxxxx>.

MY USERNAME:

<Patient Portal Name> is powered by **Equicare Health**. For more information about Equicare visit www.**equicarehealth**.com or email **info**@equicarehealth.com

WELCOME TO PATIENT PORTAL

YOUR LOGO *here*

<Patient Portal name> offers you secure, online access to oncology healthcare information anytime and anywhere. Through <Patient Portal name>, you can view your appointments and test results, complete healthcare assessments, access educational materials, and view contact information for your care team all from the comfort of your own home.

GETTING STARTED

Accessing <Patient Portal name> is easy and secure. Your care team will provide you with a unique, secure PIN, and detailed login instructions. To login for the first time:

1. VISIT <WWW.OURPATIENTPORTAL.COM>, AND CLICK "SIGN UP"
2. ENTER YOUR NAME, DATE OF BIRTH, AND PIN
3. CREATE A USERNAME AND PASSWORD AND ENTER YOUR EMAIL ADDRESS
4. YOU'RE READY TO GO!

WORKING WITH <PATIENT PORTAL>

To get your PIN, or for more information about accessing <Patient Portal name> for the first time, please contact us at <123.456.7899> or <email@emailaddress.com>

CALENDAR

Use the calendar to view all of your appointments in one place. You can also request new appointments, cancel or reschedule existing appointment, and set up automated text or email appointment reminders.

TIP: To set up reminders - click on your name, and select the "Manage Reminders" tab.

MY TREATMENTS

View a complete record of all past treatments. When new treatment items are added, they will be flagged for your attention.

MY EDUCATION MATERIALS

Learn more about your diagnosis, side and late effects of treatment, and find advice for getting and staying healthy through educational materials suggested by your care team.

TIP: Access an entire library of reputable oncology information in the Resources Section.

MY QUESTIONNAIRES

Complete any assigned health assessments ahead of appointments to save time in the clinic. You can either choose to fill in a printed version, or submit your results online.

MY TEST RESULTS

View results of any lab tests online. Like treatment history, new lab test results are automatically flagged for you.

MY MEDICAL NOTES

Your care team may include medical notes for you, such as a description of your type of cancer, reports from specialists, and imaging test reports.

MY CONTINUITY OF CARE DOCUMENT

Here you'll find health and visit summary documents that are formatted for you to download, print and share with specialists or other care providers as required.
