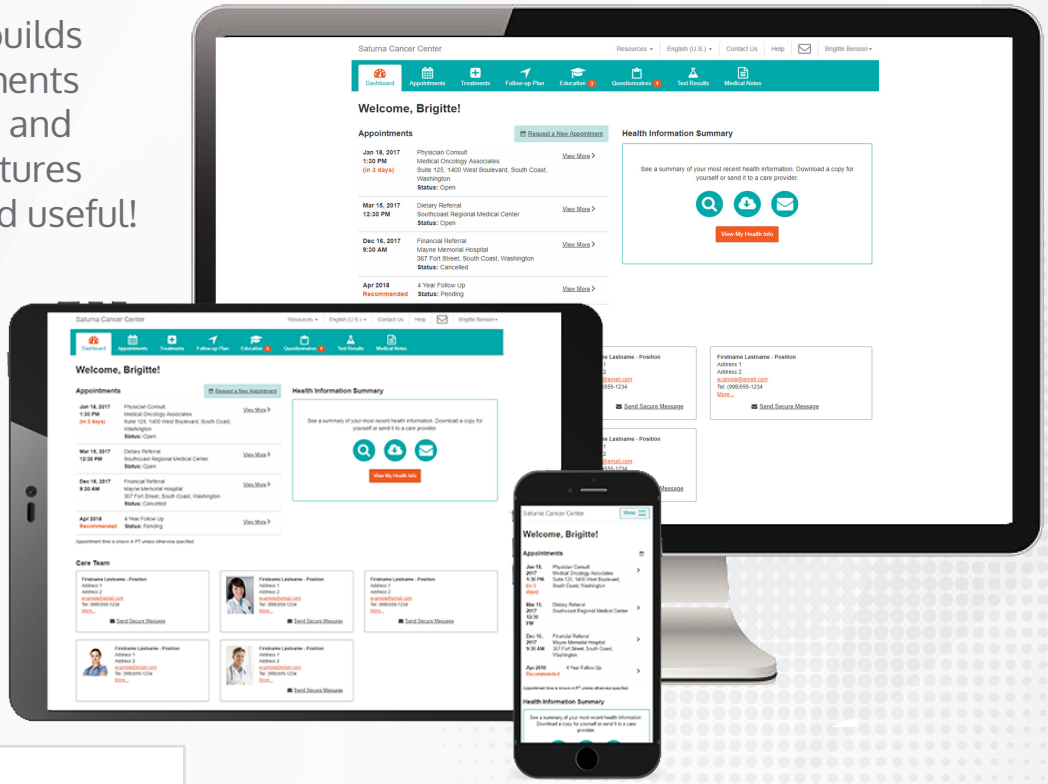
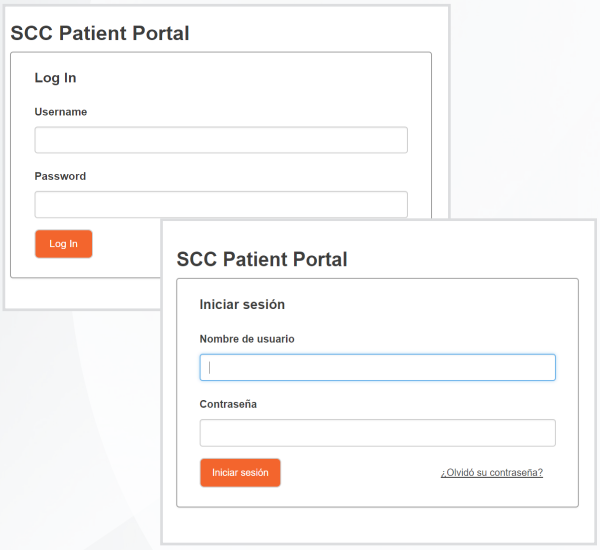
WELCOME TO THE NEW PATIENT PORTAL!

WHAT'S NEW IN THE PATIENT PORTAL?

Our new portal builds on the enhancements introduced in 4.7 and includes new features you're sure to find useful!





Single Sign On - provides a seamless way for you to access their portal account within another application

Multi-language - includes more multi-language features and more languages: Spanish, Simplified Chinese, Portugese, French Canadian and English (GB, AU, CA and US)

Your Cancer Center Name
123 Sesame Street
City Name, Province

1 800 XXX XXXX

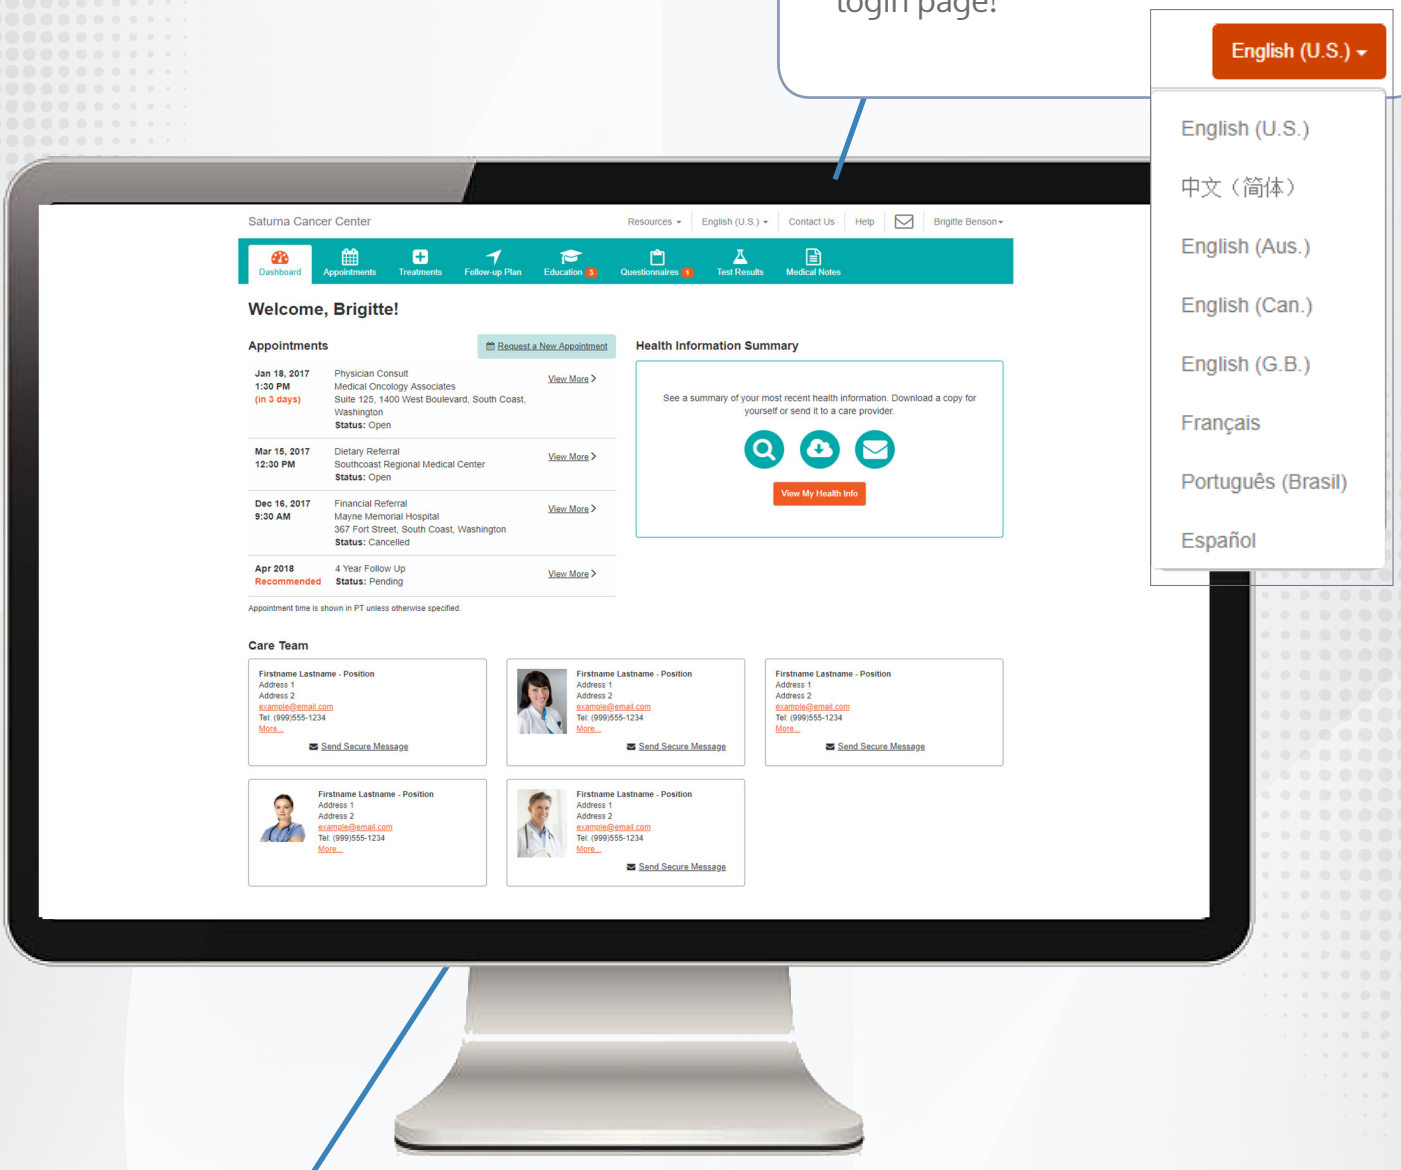
NEW FEATURES

With our new **Language Menu,** you can select the language you want to see the patient portal as from the login page!



Um membro de sua equipe de tratamento do câncer pede que você responda um questionário. Por favor, acesse sua Saturna Cancer Clinic conta para começar.

With more localized content, now you can view care plans, emails and text messages in your language of choice!
